DETAILED ACTION

This is response to amendment filed 12/03/07.

Allowable Subject Matter

Claims 34-44 are allowed in light of the applicant arguments and in light of the prior art made of record.

The following is an examiner's statement of reasons for allowance: the prior art of record and that encountered while searching for the claimed invention fails to anticipate and/or suggest: a method for generating a point-in-time restoration of a database to an active file system comprising: copying the first snapshot, the copy of the first log file, and the copy of the second log file to the active file system, to thereby restore at least a portion of the information received at the database subsequent to the first time without using the second snapshot as recited in claims 34, 39 and 44.

The dependent claims 35-38, 40-43, being further limiting to the independent claims 34 and 39 definite and fully enable by the specification are also allowed.
